2020 Annual Campaign Case for Support  
HARRISON FAMILY YMCA

Support an organization that **pivots to serve the community where it needs us most....**

We are including COVID-19 relief funds for community responses and critical operations in our 2020 Annual Campaign. 100% of funds will be used to meet the needs of our community and ensure the Y is strong for the long-term future. This will include typical Annual Campaign program support as well as the greatest needs of our Y organization, which might include general operating support during this time.
