# BUILDING FUTURE LEADERS

## School Aged Before & After School

Children will expand their learning beyond the classroom. We use a balanced curriculum with opportunities for character development, STEM activities, arts and humanities, community service and physical activity. We are here to provide your child with a safe, caring environment full of fun and learning!

## Teen After School Academy

Learning doesn't stop after the school day ends. The Y provides the academic support needed to help teen students achieve their full potential. Each day is filled with educational activities that also incorporate health education, games, team building, home work support, and leadership training.

## WELCOME TO ALL

Financial Assistance is available to those who apply and qualify. Annual Campaign Funds are raised each year to help provide this program to the community. Please ask for a financial assistance form at the front or download and print from our website. We accept Department of Social Services Vouchers for Future Leaders Center, as well as Military Child Care in Your Neighborhood. This is a reduced fee assistance program for active duty or deployed Service Members that are unable to obtain child care on a Military installation.
