

POP UP COMPUTER CAFE

Does your business have Wifi? Does your business or churches have extra space or rooms? Is your event space open? Do you want to support the children of Nash County Schools? We have the perfect opportunity for you to give back to the community. Nash County Schools has partnered with S.T.E.P (Strategic Twin-Counties Education Partnership) to seek businesses, churches, or event space that are willing to help our future generation that are having to learn virtually. As you might know, some of our students in Nash County do not have the internet as a resource at home. The Pop-Up Computer Cafe would offer the opportunity for children to have access to WiFi and have a teacher available while social distancing once a week for two hours in your available space.

PLEASE CONTACT JANE FINCH AT S.T.E.P. IF YOU ARE WILLING TO SUPPORT NASH COUNTY STUDENTS DURING THESE UNDERTAIN TIMES. CALL 252-903-2006 OR EMAIL AT jfinch@step-partnership.org. WE NEED THIS INFORMATION BY FRIDAY, AUGUST 7TH.
