ENHANCE®FITNESS PROGRAM

YMCA of the USA's evidence-based program curriculum for Falls Prevention and Chronic Conditions such as Arthritis

Enhance®Fitness is geared toward older adults of all fitness levels. If you have a chronic condition, such as arthritis, or are prone to falling you may be able to gain more strength and independence. You will feel energized- physically, mentally and socially- and be surrounded by people who care. This is a group exercise class taught by a trained and certified Enhance®Fitness YMCA instructor, where participants move at their most comfortable pace and are never pushed to do more than they can handle. Each class focuses on cardiovascular endurance, strength, flexibility and balance.

This program focuses on individualized attention, instruction, and measurable results.

- **Tracking of fitness levels**
- **Improve balance to prevent falls**
- **Develop & increase strength**
- **Boost activity levels**
- **Elevate mood with social interaction**
