Every Child Deserves the Best. Summer. Ever!

Closing the Learning Gap

At the Y, we think Summer is a time every child deserves. The learning gap between the end of the school year and the start of the next school year is increasing with each year. This issue will be even more prevalent this year with the COVID-19 crisis. Our curriculum includes 2 hours per day of enrichment time that, through research, has been proven to help close this learning gap.

The Y offers Financial Assistance to those who apply and qualify thanks to funds raised through the Annual Campaign. Financial Assistance applications are available at the Front Desk or online. Assistance is offered on a first come, first serve basis. **Deadline is May 23rd, 2021.** **Department of Social Services Vouchers** are also accepted. Please contact our Youth & Family Office for questions about this.

ACTIVITIES & KEEPING

CAMPERS SAFE

Each age group will have a weekly schedule that will include the following activities below. Daily schedules create an intentional and routine experience for campers. Camp will be full of fun, learning, and adventure, in a safe way for all.

Healthy Breakfast, Lunch & Snack Provided.

Swim Time Each Week.

Learning Enrichment Time.

Our curriculum includes 2 hours per day of enrichment time that, through research, has been proven to help close this learning gap.

Bead Time.

Fun incentive programs will be included during huddle group times to encourage campers to build character through the Y's core values of caring, honesty, respect, and responsibility.

Variety & Mastery Activities.

Exploring a range of activities throughout the camp session allows campers to discover their interests and talents. Variety activities tend to be more general, focusing on trying new things and connecting with others. Mastery activities give campers a chance to build on an activity that they discovered as an interest or talent during their variety activities! They will be able to practice their mastery at least three times during a camp week, helping them build a sense of achievement.

Activity Accommodations.

Huddle Groups: Campers will remain separate at all times throughout the day to limit the spread of germs and to help maintain social distancing.

Morning and Afternoon Assembly: In order to maintain a fun and inclusive camp culture while maintaining strict social distancing guidelines, we will be moving our assemblies to our main gym. We will keep the spirit alive with dance parties, counselor contests, and camper recognition!

Spirit Day each week: We are having spirit days each week that coincide with our weekly themes. We will have fun challenges, games, and adventure courses to be completed and our campers are encouraged to dress up for the day!
