HARRISON FAMILY YMCA
@ The Rocky Mount Mills

ADULT WIFFLE BALL LEAGUE

Join us for a little friendly competition! Calling all friends, families, church groups and corporate teams! Register for our new Wiffle Ball League for some fun and friendly competition! Wiffle ball is a variant of baseball played with a plastic perforated ball. Eight three-quarter-inch, oblong holes cover half the ball's surface area, while the other hemisphere is uninterrupted. Originally designed to relieve the arm of a young baseball pitcher (the son of its inventor, David N. Mullany), the ball achieves a curving trajectory without requiring the pitcher to impart spin or hurl at top speed.
