FALL FAMILY EVENT SCHEDULE AND ACTIVITIES

Saturday, October 20th from 5:30–7:00PM

5:30–6:50 p.m.

Check in at the Front Desk upon arrival to get your child's orange Trick or Treat Bag with their Character Card inside! Y Members will scan their card and Community Members will sign in on a sheet.

The Character Card lists each activity along the treat trail. Each child that completes the card will be given a super cool Super Hero Prize once they finish it! They are not required to complete the activities listed as optional, but are encouraged to! Each activity is considered complete once the staff member/volunteer at that station marks off that activity on your card.

Pictures can be taken throughout the event. There is a photo booth in the hallway by the basketball courts! Fill out a picture form, located in your bag, if you would like to pick your picture up the next week. Turn in the form to the front desk before leaving. This will be used to contact you afterwards to pick up your photo. Pictures will be free of charge (4X6 photos). Each person is allowed (1) free photo.

If your child is dressed as a Super Hero tonight, make sure to place their name in the bucket at the Front Desk to enter them into the drawing! The winner will win a Super Special Super Hero Prize!

You may now carry on to our Treat Trail & other activities at your leisure!
