At the YMCA, gymnastics is all about developing skills and encouraging a healthier mental, physical and emotional lifestyle for our youth. Our gymnastics department includes private lessons, recreational classes, pre-team and a competitive team. Being a part of this team, means being a part of a family. As one of our competitive team participants, kids will build strong friendships, continue to learn and gain gymnastics skills, and "raise the bar"! Our gymnastics team is also part of the USA Gymnastics Club. We search for sponsors like you to help keep our programming as successful as possible and help our young kids succeed. Please consider stretching your heart to support our gymnasts! There are also advertising benefits for your company listed with each level. I would like to support Gymnastics Programming at the Harrison Family YMCA in Rocky Mount, NC as a Sponsor. **Please check the amount you are sponsoring at:**
